

SIU / MCIU

The Resnick & Louis SIU/MCIU Team is devoted to the investigation, analysis, and litigation of suspicious claims. The members of this team have handled all types of fraudulent claim issues, including arson and suspicious property loss claims, fraud rings, workers compensation fraud, inflated and unreasonable UM/UIM and medical payment claims, project matters and medical provider fraud.

Our attorneys have conducted thousands of depositions and examinations under oath, have conducted bench and jury trials, and are familiar with all methods of evaluating, litigating, and resolving suspected claims.
